March After-School News at King K-8 Magnet School

What's Happening Corner

We will be taking a virtual field trip to the Baseball Hall of Fame in Cooperstown New York on Tuesday March 24th. The "trip" will take place right from Pleasant Valley's library with video conferencing technology. Please make sure your child is present on March 24th as this will be a great experience!

Thank you again this month to all of our Disney Volunteers for their assistance with homework, board games, and daily lessons.

Virtues This Month: Character and Lou Gherig

This month students will engage in activities that will look at character. Students will review what character is and look at the legacy of Lou Gherig. Students will learn about the character traits that made Lou Gherig the famous well-respected athlete we know today. We will be taking a virtual field trip to the Baseball Hall of Fame this month to conclude our month long lessons on character and Lou Gherig. This month our goal is for students to display positive character traits at home and at school.

Your child MUST be picked up BEFORE 5:30pm
If your child will be picked up by another adult please make sure that the adult has identification and that you send a note with your child stating who will be picking them up.

Important Reminders this Month:

March is a FULL month of Program!

With the winter months approaching please ensure that your child knows where to go in inclement weather if After-School Program is cancelled.

HAPPY ST PATRICKS DAY*****HAPPY ST PATRICKS DAY
