Motto: Climbing the hill to a higher education

February 9, 2004

Dear Students and Parents:

We are planning a very special event for CPMS students and parents. On Friday, February 20th we will be part of a NASA History of Winter videoconference from Lake Placid, New York. We will begin our program at 12:00 with pizza, drinks, and pastries. At 1:00, the live videoconference will begin. Students will have an opportunity to submit questions during the broadcast. The event will end at 2:00. Transportation is not available.

Two of our teachers, Miss Hartkern (6th grade science) and Miss Moehle (7th grade math) will be at Lake Placid with other teachers from across the country.

We hope you will join us for this vacation special event. In order to plan refreshments, we ask that you fill out the bottom portion of this letter and return it to either Miss Hartkern or Miss Moehle by Thursday, February 12

Sincerely,

Mrs. Ozarowski,
Principal

(↓ Return bottom section to Miss Hartkern or Miss Moehle by 02/12/04. ↑ Keep top section for your information.)

History of Winter Videoconference at Central Park Middle School
