**Targeting Narrative** - Please address how your C4E programs meet student educational needs and building-level accountability status. Use the Targeting Matrix as a guide. Explain how the district and school Comprehensive Plan supports the program.

(See 2016-17 Accountability Status by School) <http://www.p12.nysed.gov/accountability/ESEADesignations.html>

Schenectady is a Focus District with 12 Focus schools, and 3 priority schools. Needs are so great across all schools, that the only equitable manner for using C4E funds is to allocate funding for each school based on student enrollment.

**Performance Narrative** - Describe the district's expected performance targets for the accountability criteria and disaggregated groups for which the school has failed to make Adequate Yearly Progress (AYP) in the past year.

The District has set goals for 8% annual increases in ELA and math achievement in all levels.

**Experimental or District-wide Programs Narrative** - If applicable.

\*Note: You may choose instead to submit the Narratives above in Word format. A template is provided on the C4E website where this Excel template was located. It is called 2014-15 Contract for Excellence Narratives.doc.
