

# SCHENECTADY YOUTH LADIES LACROSSE

*BE A PART OF THE FASTEST AND MOST EXCITING GAME ON  
TWO FEET!*

## ***Background Information:***

Hello, my name is Coach Pollizatto and I am the Varsity Girls Lacrosse Coach here at Schenectady High. I am sending this flyer out to take the Schenectady's Ladies Lacrosse program to the next step.

With that stated the Schenectady Lady Patriots Lacrosse Program will be holding a 4 week **Learn To Play Lacrosse** intramurals sessions this Feb / March. **This intramural session will be for grades 3-6.** We are hoping there will be enough interest so we can roll right into the youth lacrosse season which begins in April and ends in the beginning of June. If we are successful this will be the first ever youth team here in Schenectady for the girls program. We are hoping to have two teams - grade level teams would be 3-4 and 5-6.

The intramurals will be held on **Wednesdays Feb. 28<sup>th</sup>, March 7, 14<sup>th</sup>, 21<sup>st</sup> at Mont Pleasant Middle School** in the Main Gym from 7-8 o'clock. Entrance will be the ramp doors of the gym which is in the back of the school.

I will also be holding an **interest meeting on Monday February 12<sup>th</sup> at 7:00 in the Mont Pleasant Gym** to answer any questions or concerns you may have or to sign your daughter up for intramurals and possibly for youth lacrosse.

If you are unable to attend the meeting and are interested just fill out the interest form which is connected and have your daughter return it to their PE teacher or you can fill it out take a picture and send it to me via email.

The cost for intramurals is **FREE, the cost for youth lacrosse has yet to be determined**

**We will have sticks and goggles – but if you have own equipment please bring and water!**

**Coaching Staff:** We are looking for any parents that are willing to help out and coach or be an assistant coach for one of the teams. We need the help of you the parents to get this program off the ground. Please consider being a part of this new and exciting program in Schenectady.
