SPRING 2019

IN THE KNOW...

Dear Parents and Guardians,

With longer, brighter days and warmer temps just around the corner, there is a lot of excitement that will be coming with this time of year. These next few months will include after school programs, spring break, athletics events, music performances and standardized testing. Many of these events will include some sort of transportation, so we would ask that you pay close attention to school notifications. We want to ensure that your student arrives safely and on-time to these events. Please feel free to reach out to your Transportation Team with any questions or concerns that you may have.

Have a great Spring and we look forward to serving our community!

Regards,

Al Valachovic

Announcing our SCSD Transportation Phone Directory!

The Transportation Department has set up a phone directory. Our number is still the same, (518)370-8103. Our options have changed to better serve you. The phone system allows parents direct transfer to their child's bus company for questions regarding pick up, lost items and other vendor-related questions. There are also options for speaking with a transportation representative and updates on closures and delays.
