

GE Girls at Rensselaer

This summer, GE teams up with Rensselaer Polytechnic Institute to offer a unique program for current 7th grade girls in the Schenectady School District. The program focuses on science, engineering, math and fun!

That's imagination at work.

The program is being held at RPI in Troy, July 30th – August 3rd. Talk to your science teacher to learn more!

INFORMATIONAL PARENT MTG at Schenectady High School Room D4, on Wednesday April 18 at 6pm
